

ST. ANDREW'S RESOURCE CENTRE

Executive Director

About The Role

Following the untimely death of its long-serving Administrator, St. Andrew's Resource Centre wishes to appoint an Executive Director who will lead the organisation into the next phase of its development, promote the continuous development of the staff and volunteers, and strengthen the Centre's engagement with its stakeholders.

With overall responsibility for the Centre's direction and management, the Centre is seeking a dynamic, collaborative and experienced leader with a track record of strategic leadership in a complex environment. The successful candidate will have demonstrable experience of managing a large team, ensuring regulatory compliance through the development of appropriate policies, systems and procedures, and a senior reporting relationship to a Board or Chief Executive.

The ideal candidate will have experience of the community and voluntary sector and will be comfortable with representing the Centre to a variety of key stakeholders. They will also have an understanding of the principles of community development; and a willingness to uphold the values of the Centre are essential.
